

VOXLOM INNOVATIVE SOLUTIONS

DATE: MAY 22, 2026

SUBJECT: LETTER OF EMPLOYMENT OFFER — SOFTWARE ENGINEER

Dear Jhon,

Following your recent evaluation steps with our selection panel, we are exceptionally pleased to **offer you the position of Software Engineer** at Voxlom Innovative Solutions. We believe your professional metrics will align perfectly with our core organizational trajectory.

Your annual cost to company (CTC) is structured at ■ **10000** (Ten Thousand Rupees). A comprehensive breakdown of your gross salary parameters, allocations, and direct corporate employee benefits is detailed for your record inside Annexure A.

Your active commencement date is scheduled for **15 Jun 2026** at our **Panankudi Campus** campus. Upon joining, your operations will be mapped directly within the **Developement** business division, reporting straight to **Rajesh**.

To confirm your formal acceptance of this employment covenant, please sign and return a duplicate copy of this folder on or before **May 30 2026**. Once your validation token is registered, your onboarding team will issue your infrastructure asset keys and system credentials access profiles.

We are highly confident that this layout marks the start of a mutually rewarding career with us, and we look forward to welcoming you aboard.

Sincerely,

Sam

Human Resources Manager
